**GREEN POLICY, 2022**

**INTRODUCTION:**

Lunglei Government College wants to create a clean, green campus where students are educated about sustainable lifestyles and encouraged to adopt them both on and off campus. The idea of a “green campus” presents the college and its campus with a chance to take the initiative in reinventing its environmental culture by fostering environmental ethics among the students, faculties and non-teaching staff. The Institute also encourages a clean and green campus by encouraging students and staff to adopt, put into practise, and spread eco-friendly behaviours in order to raise awareness of the environment both within their own communities and globally.

**VISION:**

Achieving a “green campus” by collective action to address the environmental, social, and economic issues facing society

**MISSION:** To educate students so that the general public is conscious of the significance of the environment, as well as their individual duty to protect the environment and maintain ecologically friendly campuses.

**IDENTIFIED AREAS FOR OPERATION:**

The college has tried to manage its campus in accordance with its commitments to promote a sustainable environment. These commitments can be demonstrated in the following areas: -

Plastic Free Campus

Use of Solar Energy

Tree Planting Clean Use

Only Use of LEDs

Less Paper Use Library/Student Center

Any burning on the campus

Prohibition of all other chemical fertilizers or pesticides suitable areas

# MIZORAM STATE POLLUTION CONTROL BOARD

No.H.88088/Poltn/85/2020 -MPCB/

: Dated Aizawl, the 10<sup>th</sup> December 2021

## NOTIFICATION

This is to notify that Mizoram Pollution Control Board, the State Nodal Agency under National Green Corps (NGC) Program has made linkages/networking with the Mizoram Colleges listed below under the NGC programme, sponsored by the Ministry of Environment, Forests and Climate Change (MoEF&CC), Govt. of India. The purpose of the networking is to take up green initiatives through College Eco-clubs by bringing about positive changes in the environmental attitudes among the students and the society at large. Therefore, Mizoram Pollution Control Board and the Colleges listed herewith have been playing a vital role in ensuring the effective implementation of the programme in the state as a way of motivating and undertaking environmental awareness programs in protecting the environment.
